Five years ago, I didn't think I'd be doing this but here I am. Happy and fulfilled. Sex has taken on a whole new meaning for me. One where the physical aspects are divorced from the emotional ones. I used to think that sex with love was the best, and it still is, but in a different way than it used to be. If you're just looking for the sex part of it, you don't need love. And with love, you don't need to have sex.

Once I got my head on straight, I could have sex with as many men as I wanted to without feeling any guilt. I did not know the power of the pussy until I was alone again and gained my sexual composure. I do admit that the guys I've met in this business have, for the most part, been great. Great to have sex with, and great to have a beer with. Sometimes though, too many beers led to too much sex. But I'm not complaining.

Hi guys, it's me - Sara Jay - and I'm here with a couple friends to celebrate my birthday. And what a celebration I'm about to have with two dicks and nothing else on my agenda for the afternoon. I say let's get started with a couple nice long blow jobs, some ball licking, and a bit of fondling in other secret places.

Sara Jay

I love to have fun on my birthday and I love having sex on my birthday, so what better way to have fun. I believe there should be a national law requiring everyone over the age of 21 to have sex on their birthdays. That would make for a much happier world to live in, don't ya think?

I just got back from a two week holiday to the south of France with my girlfriend. We stayed at her boyfriend's house in Nice but he was off to Morocco on business so we had the house all to ourselves. Since she couldn't play around with other guys, I decided not to either. But that didn't mean we couldn't play with each other. So, we slept together every night and didn't get up until noon - and then headed to the beach. We spent the two weeks in each others arms and pussies.

On the flight home, all I could think about was men. I wanted cock and I wanted it really bad and really fast. I wanted to wrap my lips around a smooth head and lick up and down a long, hard shaft until I could feel his cum spurt into my mouth. Then take that perfect cock and shove it deep into my wet pussy until it was my turn to cum. And... I just did all that and you get to see the pictures and watch my video, too.

CLUBBING at 50

I love my wife Rea. She's a wonderful woman and losing her would be very tough after twenty-five years of marriage. We needed some quality time together to rekindle our love and, hopefully, some of the sex that had been lacking over the years. We decided to go to Atlantic City and live it up a little, hoping the environment would give us opportunities to be together.

After arriving at our hotel, we unpacked and decided to get something to eat. While we were on the way to the restaurant, we passed some gentlemen's clubs and started commenting on how it's been since college that we had gone to one. We decided to stop into a well-known club and have a few drinks and check out the girls before dining.

The place was about half full as we were escorted to a booth towards the back and ordered our drinks. There was a tall pretty girl on stage seemingly just going through the motions. She had big big boobs but a cute

Dear editors at 50+,

Finally! A real woman. Cala Craves is just that and we readers who want to see real women, not just photo models, thank you for publishing her pictures. I like a full, mature woman with a full, mature figure. Most women my age are just that way and I have a total appreciation for them. I fantasize about them because I know they are experienced and really know how to fuck.

Cala's ample bosom and seductive smile are a real turn on. Her pussy looks quite edible and I'd love to nuzzle my nose down there. But since I'll probably never do any of that, I'll just enjoy her pictures once again.

body. Rea and I checked out the dimly lit space as the girl went through her on-stage routine.

After our drinks came, one of the dancers came over and introduced herself to us as Raylene. She was about 26 years old, with blonde hair. To our amazement, Raylene came right out and asked Rea if she wanted a lap dance. We excused ourselves and asked her to come back later. We discussed her offer and Rea was intrigued by the possibilities. Another round of drinks was all it took to get her to agree to have Raylene do a lap dance, but it soon became more than a dance.

Slowly Raylene finished her performance and came over to our table. She took off her top and rubbed her breasts. She took off her bottoms, leaving herself in a tiny g-string except for her clear-soled, high-heeled shoes. She leaned over and whispered something into my wife's ear and Rea slinked down and pulled her panties off under her skirt. Then she undid her blouse and released her

boobs from their confinement. I looked at what was going on and kept my mouth shut.

Raylene motioned over to the bartender and then the lights dimmed in the back area with the booths. Our table was only lit by a large red candle and the ambient light in the club. As my eyes adjusted, I noticed that Rea and Raylene had begun to suck on each other's beautiful tits. Raylene got down on her knees and started licking Rea's clit, then snaked her tongue into her wet pussy.

She slid a finger in my wife's pussy and pumped it in and out, while wiggling the tip of her tongue against Rea's clit. She plunged her tongue deep into Rea's cunt, lapping at the tangy walls and causing Rea to shudder with an orgasm that left her hanging onto the tabletop. Raylene rose up and sauntered over to where I was sitting and gave me a sloppy kiss that made sure that I sopped all of Rea's sweet juices off her hot tongue. Then she straddled me and ground her pussy on my crotch.

My cock was getting hard again. I put my hand between Raylene's legs and slid my fingers up into her soaked pussy. I pressed my cock head against her slit, and in a brief moment I was inside. With a squeal, she pumped up and down on me for a few moments. Rea knelt on the floor behind Raylene so she could lick her sweaty ass cheeks as I boned her.

Raylene spun on me to face the club allowing Rea to put her mouth between the dancer's legs. I could see my wife licking Raylene's cunt as I fucked her. Her tongue was wet against my cock as it slid in and out of Raylene's dripping snatch. She climaxed with a scream. Just as I was about to come, I pulled my cock out of Raylene's pussy and stuck it into Rea's. My wife was so worked up that I had her climaxing in seconds. It was a good thing too, because I was right behind her, spewing most of my load deep into her pussy.

I saved the last few drops for Raylene, who let me squirt them on her

breasts. She took her fingers and swirled up the cum and began to lick it off them. She put a big glob in her mouth and leaned over to kiss Rea. The two shared my love juice as the candlelight flickered ending the show in the darkness. Rea and I didn't hit the road for a few more days, never leaving the hotel, except for the day we spent at Raylene's place. Furthermore our brief erotic three-way that week with Raylene saved our relationship. Now, on those special occasions, we go back to Atlantic City and renew our vows. Our vows to keep having fun at 50!

IT'S ALL IN THE GAME

Lately, I've been seeing Tiffinie every visit I make to Chicago. I fly in from St. Louis and she meets me at the airport with a limo. Tiffinie, you see, is a kept lady.

We've agreed that she'd make herself available for me whenever I come town. So, in order to keep things really fresh and exciting, I ask that we go somewhere new each time. Today, it's a Bulls game and she's purchased a VIP box for the night. I don't ask how she got it,

just if it will be the two of us. We make it to the game and to our box. The game was going on below us as we watched for a while through the

big plate glass window. The first half ended and I turned off the lights. We both knew what we wanted as I pulled Tiffinie towards me. She melted in my arms. I started to kiss her and she willingly responded to me – walking me backwards toward the sofa. We collapsed onto it and both got undressed like over-eager teenagers going at it for the first time. Very soon they were both naked.

She found herself meeting my every thrust until finally I came again shooting another huge load.

Tiffinie's nipples were as hard as bullets and her pussy was flowing with her wetness. Never had she felt so wet.

My cock was rock hard in anticipation. I started to kiss her nipples and began biting on first one then the other, chewing them between his teeth. Tiffinie threw her head back and groaned in ecstasy. Running my tongue gently over her stomach, Tiffinie opened her legs as far as she could get

them, allowing me access to her fully aroused clit.

I gently nibbled it between my teeth and Tiffinie came almost immediately. In a muffled voice I heard her demand that I lick her pussy. I duly obliged and snaked my tongue inside the folds of her labia and then deep into her pussy. As I was licking her I maneuvered my body so we were in the 69 position with my cock only inches away from Tiffinie's mouth.

She eagerly took it and started sucking eagerly taking it deep inside her mouth fondling my balls as she took as much of it as she could. We were both nearing climax, and as I licked hard on her pussy Tiffinie sucked me even harder. Our timing was perfect as Tiffinie hit her orgasm.

I shot a huge load of cum into her mouth and she hungrily swallowed every last drop licking me clean. We changed positions and I laid her onto

the sofa. Her legs were wide open and her cunt was glistening. I buried my cock into her right to the hilt and could feel my balls against her ass. She found herself meeting my every thrust until finally I came again shooting another huge load. She came again just as the second half started.

As it turned out, it was good night for all of us. I scored twice and I think the Bulls even won the ball game.

– Neil R.

JUST VENTING:

My 52nd birthday was last week and I discovered my wife has been cheating on me. I dropped her as fast as I could and have found this wonderfully weird lady on my rebound. My ex was very conservative and we fucked mostly in the missionary position. She rarely went down on me and even more rarely let me go down on her. So perhaps our splitting has turned out to be a good thing.

However, this new lady is very experienced. She has sucked me for hours until I thought the skin on my cockhead was coming off. We screw in every position imaginable, but here's the thing – she wants me to fuck her in her butt! And I've never done that before. She says it makes her cum more intensely.

She says her butt hole has its own singular sensations. While they are sexual and pleasurable, they are often more intense because that area isn't stimulated as often as the pussy. She says when she orgasms anally, she enjoys it immensely. I guess I'm ready to try it with her, but I just needed to vent a little since this is a subject you just can't talk to anyone about. I probably won't send this letter if I don't do it with her. But then I might send it if I do. Then I can tell you, and me, how it felt.

Five years ago I had my first black man. I had been brought up very white and all my encounters were the same. Then, at a New Year's Eve party in Chicago I met Darius and he was wonderful. We spent the night talking and laughing and sharing stories about the north side and the south side. I was Cubs fan and he was into the White Sox. We had some heated debates.

Celestia

When the party ended, he asked for my number and the very next day (New Year's day) he called me asking if I wanted to come over and watch some of the football games with him and a few of his buddies. I politely declined, having made plans. But I told him that I'd see him the next day and he could come watch games with my friends. He accepted and when he came over, there were no friends of mine there. I apologized with a wink and we watched games all afternoon and screwed all night. What a way to start a new year!!!

We got lucky with these two. Both Tawni and Emily have temporarily sworn off men and so we took advantage of that with a dildo-filled lezzie shoot for your private enjoyment. It didn't take much coaxing to get these two into their bras and panties and even less time to get them out of them. Then we cranked up our cameras and let them loose. Now you get to see all the fun and frolic of a sexy afternoon spent fucking and the fruits of our labor.

Tawni & Emily

The two cameramen had to excuse themselves during this break. The ladies got really heated and were hard to stop. There were fingers fucking and vibrators buzzing, and dildos, er, dildo-ing. Makeup was running and gaffers were gaffing. We could tell these two had been without a man for a while. Their sexual energy was off the hook and got everyone in the room pretty heated up, too. Then they hit the hot tub.

IN SEARCH OF THE BIG ONE THAT DIDN'T GET AWAY

In spite of a deep saddening at turning 50, Corey felt a little excitement as he headed back to his hotel room from a great birthday spear fishing trip in the Gulf of Mexico with his buddies. Corey had never done this before and while he was apprehensive about the ocean, he loved the feeling of the spear gun in his hand. Twenty feet down he sees a huge marlin quickly

approaching. Way to big to spear, Corey freezes in the water and the monster fish passes by, keeping one glassy eye on him. Heart beating rapidly, Corey decides he's seen enough and heads back up for the boat. The adrenaline rush was wonderful and even though he came up empty this trip, the excitement was amazing.

Back at the hotel, Corey's excited to tell his wife and maybe get a quick blow job for his manly birthday adventure before bed. Kourtney was sitting in the room with a buddy's wife doing that girly gossip thing. Corey just heard white noise coming out of their mouths. He decided he needed a drink and went to pour himself a strong glass of scotch. He poked his head back to the living room and told the ladies he was going to go shower. Corey decided to treat himself to a long hot bath. After almost an hour, he gets out and notices how pruned his skin was and thought, that in another ten years he

may be looking like this even without a bath. He reaches for the towel and realizes it is not there. He'll have to walk across the room to get one. As he opens the door there is Kourtney with a towel wrapped around herself. She asks if he's looking for this, and takes it off handing it to him. Naked underneath, he sees the beautiful woman he's been married to.

"Happy Birthday, baby." she croons as she walks over to him and begins to dry him off.

She still has that tight body he used to ravish every day when they were younger. Now, he sees it sheathed in a combination of sweats or pant suits. She begins by drying off his shoulders, chest and belly. Reaching his groin, she passes on his privates and dries off his legs. Turning the towel to a dry area, she goes back to his crotch and rubs the towel into his pubic hair and down under his cock to dry off his balls.

"Turn around." she says, and Corey obliges putting his hands on the wall like a cop about to frisk him. Starting at the top, she dries off his shoulders and back and softly pushes the towel between his cheeks to be sure he is dry back there, too. Corey is enjoying every minute of this, being relaxed from the tub and now a vertical towel massage.

Her hands move down past his cock and she begins to squeeze his balls while kissing and biting his nipples.

Throwing the towel on the floor, Kourtney pulls Corey towards the bed. Now he takes over, laying Kourtney on her back and begins kissing her neck, gently nipping and running his tongue all over her soft flesh. Gradually he moves down her body running his tongue around her naked breasts and bare belly cupping her firm breasts as he goes lower and lower on her. He then retraces his slippery path back up her body reaching and sucking her erect nipples.

When he begins with gentle bites, she moans softly and her breathing became quick and sharp. He reaches between Kourtney's warm and moist legs to gently caress her clit. Again he slides down her body kissing it all the way and reaching her soft delta, begins to slurp up the juices that began to flow. Corey places his fingers on her pussy to gently spread her lips apart. He then gently pressed his fingers into her mound and just as he was about to insert one she turns away and rolls on top of him. Reaching across his chest and into the drawer on the nightstand, she grabs a blindfold and places it over his eyes, tying it behind his head. She then grabs some scarves and ties him to the bed so that his arms were spread apart.

She then begins to kiss him and moves to his ear, nibbling on his earlobe and whispering "Happy Birthday." Again and telling him to relax and enjoy. Her hands move down past his cock and she begins to squeeze his balls while kissing and biting his nipples. Slowly she moves her head down his body and begins to lick the head of his cock, licking

the entire length of his shaft and then plunging his cock deep into her mouth. She sucks harder and harder, taking time to lick it and nibble at it's head causing him pleasure and a tiny bit of pain. Replacing her mouth with her hands, she starts stroking his cock until she feels him about to come.

"Not yet." She whispers and he feels her get off him and off the bed. Moments later he heard her return climbing on top of him and guiding his rock hard cock into her pussy. She pumped up and down using her knees and thighs in a steady pace for a few minutes. She then bent down on top of him and he hears a whisper in her ear, "Happy Birthday, Corey," but the voice was not Kourtney's. Before he realized what was happening a moist fleshy body landed on his face and pushed into his mouth.

It couldn't be Kourtney, he thought, she's riding me. The taste of pussy filled him, but it was a new one. One he didn't recognize, but at a time like this it did not seem to matter. It tasted so good that he began to lick it with gusto.

As he was doing this the pussy got wetter and wetter and he had to taste more so he forced his tongue inside. Down below, Kourtney had quickened her pace and was moaning loudly. The girl sitting on his face began to moan softly and her juices began to ooze out from between her legs covering his face in a warm sticky substance. She

Corey felt himself building up to orgasm and within a few minutes he exploded just as Kourtney got off him.

began to rock backwards and forwards forcing his tongue further inside her and Corey could hear both girls moaning loudly. Corey felt himself building up to orgasm and within a few minutes he exploded just as Kourtney got off him.

She helped finish his climax with her hand as he felt his splooge warm and wet on his belly. Kourtney gave little squeals of pleasure at a job well done as the girl on his face felt his climax and joined him with one of her own, flowing her cum-juice all over his lips and chin. Corey could feel the women trade places as the new girl grabbed his cock and immediately brought it back to attention with her lips and mouth.

Kourtney moved to the top and carefully placed one of her nipples into Corey's mouth and he began sucking like he wanted to get out every last drop of nipple juice. He felt his cock penetrate new territory. Much firmer than Kourtney's. A tightness that brought him back to his college days and the girls that visited him in his dorm room. He could hear the girl gasp as his cock was slowly swallowed up. Corey began to pump his hips and his cock began to slide more freely inside. She responded with gyrating hips and perfectly timed bounces to keep him hard and deep.

All of a sudden everything came to a stop as Kourtney removed his blindfold. Slowly adjusting to the light, his eyes looked up at four breasts and two faces kissing in the half light. The kisses stopped and they both looked down at him. It was Lesley naked and bouncing up and down on his cock. She was the gossip girl from earlier that Kourtney was talking to. He could see her boobs which were about the same size as Kourtney's. Looking further down her body he could see that her pussy was cleanly shaven. The two untied Corey from the bed and as he stood up to stretch Lesley fell on top of Kourtney and she began to move slowly down her body until she reached her pussy. She stuck out her tongue and began to lick Kourtney's crotch.

Seeing Lesley bent over with her butt in the air, Corey could see her soaking pussy clearly. He placed his fingers deep inside her and proceeded to finger fuck her as fast as he could. Lesley's breathing quickened and her body began to squirm, he pulled his fingers out just as her cum squirted out of her pussy. He then rammed his cock into her and began to thrust, fucking her as hard as he could. Lesley began to scream loudly and had a powerful orgasm, her body began to shake and she slammed her body against Corey's. Corey filled her tight pussy with his cum until it began to pour out.

Both ladies started to moan as Lesley orgasmed first and Kourtney was not far behind. The girls switched positions and Kourtney had her ass in the air. Kourtney gasped with as Corey lent forward and inserted the length of his cock into her. He was ready to cum again and shot his load all over both of their faces. Once they were both clean all three lay on the bed. After a few minutes, Kourtney gets up and leaves the bedroom only to return a few minutes later with a small cake with three candles on it. She gave one to Corey and one to Lesley, keeping the other for herself. On three they each blew theirs out and, as if on cue, the two ladies smashed the cake into Corey's face with sing-song voices saying to him – "Happy Birthday!"

Mikela

Yes, I was a flower child many, many years ago. Living in the Berkeley area and going to the University of California there, it was only natural (pardon the pun) to get into the hippy culture. There was an awful lot of pot smoking and a lot of sex. I tried guys and girls. I tried a couple guys and a few girls, and I even tried guys and girls together. While I'm a little more selective now, I haven't lost my urge to fuck and get fucked. Who says that what you learned in college won't stick with you for a lifetime.

Now my daughter is at the same university and I've told her stories about my time there. We shared giggles and laughs with an undertone of caution. Things are just not the same.

So now I have the whole house to myself and I can't wait to engage my gentlemen callers in my spacious bedroom equipped with the latest and funnest toys. Yes, I read *Shades of Gray*. I have a copy next to the bed and tell my partners to read a couple chapters while I get ready. Then it's all in!

Hi guys. Thanks for joining me today as I'm about to fuck and get fucked. I'm not that comfortable in front of the camera yet, but I'm going to give it my best shot. I'll suck cock like it's my last and you can watch as my pussy gets pounded from here to Milwaukee. Then I'll take his creamy load right onto my boobs and mouth. I'll do this all because I like it and so that you too can get off.

What do you think? Well I think I'm getting better every time I do another photo shoot. I've learned to tune the crew and camera out and just concentrate on the cock in my hand or in my mouth. I've also learned to take better direction from the director, although it's awfully tough to stop when he yells 'cut.' But when he yells 'action.' I'm ready to go again. Gotta go now. Gotta focus on this cock in front of me! Can't wait to taste his cum.

*They say that 40 is the new 30.
I really don't care. Do you?
Look at me. A year ago I was
selling cheese in Wisconsin with
a hairy bush and a minivan.
Now, I'm an all new person
ready to take on the world.
Say that you're ready for
me and more like me?*
